Agreement terms

Fruit Growers Laboratory, Inc. (FGL) reserves the right to alter this agreement at any time. However, once an approved project for pro bono analysis is completed, FGL will not demand payment for the analyses indicated in the initial agreement. Any changes to this agreement must be authorized by FGL. Unless approved by FGL, any additional work beyond the scope of the agreement will be billed to you at the prevailing rate contained in FGL's pricing schedule. The analyses will be completed in a timely manner, however; there will be no set deadlines. Each project will be reviewed and treated on an individual basis. There is no guarantee follow up projects will receive similar concessions. If applicable, FGL may request and receive a copy of the published material and/or conclusions pertaining to the data provided.

I have read and will abide by the terms of this agreement and I certify that this pro bono analysis request from Fruit Growers Laboratory, Inc. is for research purposes only.
