

NOTICE: Paper Reduction Initiative – Invoices

Dear Valued Customer,

Fruit Growers Laboratory, Inc. / FGL Environmental is requesting your support as we implement a paper reduction initiative to help improve efficiency and reduce paper waste.

Beginning June 1, 2022, FGL will begin Emailing your invoices, rather than mailing them via U.S. Mail. Emailing them will ensure they are delivered quickly and eliminate sending them via U.S. Mail. There is an “opt-out” option if this change will be disruptive your business.

Another advantage to emailed invoices is the ability to access them online from our FGL Web Customer portal. It’s very easy! FGL Web Customers can go to the FGL Website, click on the “Web Customer” tab and view all their invoices (past or present) at any time. Call the lab and we will help set you up. It’s quick and simple.

If you need to “opt-out” due to a situation that prohibits you from going paperless, let us know by emailing to: [**paperlessinvoices@fglinc.com**](mailto:paperlessinvoices@fglinc.com). Or you may call us at (805) 392-2000, press “0”, and let us know that you are calling about the Paper Reduction Initiative.

Thank you for doing business with Fruit Growers Laboratory, Inc. and for your kind support in this matter.

Best regards,

Kelly Dunnahoo

President and Laboratory Director
